

## Web Literacy Training

This template will help trainees create a plan for implementing Mozilla Web Literacy content through the DOT DAP program

### Web Literacy Skills

Please put an **X** next to the web literacy skills you will cover in the first 3 months of your DAP work

☐ Evaluate

☐ Code

☐ Remix

☐ Connect

☐ Contribute

☐ Navigate

☐ Open Practice

☐ Protect

☐ Share

☐ Synthesize

|  |  |
|--|--|
| What is your mission and/or goal as a Digital Ambassador?                                |  |
| How much time do you have to reach your DAP goals?                                       |  |
| What activities are the most relevant to your learners?                                  |  |
| How will you localize the web literacy content to better fit the needs of your learners? |  |
| Will you do any offline activities with your   |  |

|   |  |
|---|--|
| learners? If so, which ones?  |  |
| What kind of setup or materials do you need to teach web literacy?        |  |
| How will people find out about your workshops and gatherings?             |  |
| Will anyone help you facilitate workshops or mentor learners? If so, who? |  |
